## Third Grade

### Math

**Ask me:** What is an equivalent fraction for  $\frac{1}{2}$ ?

**Ask me:** To partition and label the number line into fourths:

### Writing

**Ask me:** What are some reasons I included in my persuasive piece to convince my audience of my opinion?

### Reading

**Ask me:** What is something significant my historical figure did for society?

### Science:

**Ask me:** What is a conductor and what is an insulator?

I have gone over this week's Ask Me About with my third grader: \_\_\_\_\_.
