

Ask Me....

April 17th, 2017

Third Grade

Math

Ask me: What might a shape with an area of 20 square units look like?
How many rows and columns might it have?

Writing

Ask me: Who are the detective and some suspects in my mystery story?

Reading

Ask me: What clues did I come across in my mystery book?

Social Studies

Ask me: What region of the U.S. is my group learning about?

I have gone over this week's Ask Me About with my third grader: _____.

Parent/Guardian signature: _____
