

SUPERINTENDENT'S CHALLENGE

"Thank you First Responders"

Vernon Public Schools would like to support, honor and celebrate our Vernon First Responders! Students, staff and community members are asked to please join Vernon Public Schools in expressing our gratitude by thanking the brave members of our Police, Fire and Ambulance Departments who help our Vernon Community every day!

Dr. Conway would like to challenge all the schools to write a card, letter, or create a drawing to honor our brave Vernon First Responders! The school that submits the most cards, letters, and drawings (per student ratio) will hold the "Superintendent's Challenge" trophy! The winning school will present these cards and letters to Vernon First Responder representatives during an assembly in April. The challenge will run April 1st through April 24th.

Thank you Vernon Police, Fire and Ambulance Departments!
