

PEOPLE HELPING PEOPLE

# SUPERINTENDENT'S CHALLENGE

A helping hand can change the world! During this holiday season, Dr. Conway, Superintendent of Schools, would like to invite all of you to a new Superintendent's Challenge – **"People Helping People"**!

Please take a moment and write how you and your school will help our local community, neighbors and friends. Dr. Conway encourages you and your school to participate in charitable events such as "Penny Wars", a "Community Food Pantry Drive", "Classroom Food Baskets", the "Artic Splash" (see attached flyer for this fun event which provides camperships to Vernon children), or any other way that you can help!

**Think of ways that you can reach out to neighbors and friends!**

The Superintendent's Challenge Trophy will be presented to the school that participates in the most **"People Helping People"** challenges. Challenge sheets will be collected through **Friday, December 13<sup>th</sup>**. The trophy will be presented to the winning school the following week! Good luck!

This holiday season think about giving a helping hand to our local community!
