

# VCMS MAGAZINE DRIVE

Our annual fall fundraiser is here. Help the students at VCMS enrich their learning experiences by supporting our magazine drive.

All proceeds go toward student learning and activities such as:

- Educational Field Trips
- Special Assemblies
- Experiences that ignite your child's imagination

VCMS earns **40%** on magazine sales and **50%** on discounted items. The more students sell, the more they get back in an enhanced school experience - and of course **PRIZES!!!**

Don't have time to read magazines? But you spend hours waiting for your children during their activities or at the bus stop. Read a magazine on your tablet or phone while you wait.

It makes a thoughtful gift for the holidays: Readers' digest for grandma, Food Network for Auntie, Handy Man for Dad
