

June 2017

Dear Parents and Students,

Over the summer, it is imperative that students continue to learn and grow through the practice of reading.

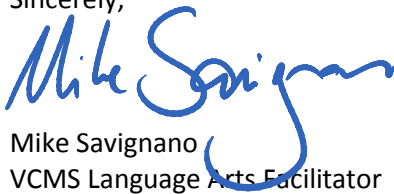

For this reason, VCMS is requiring that each student choose a novel to read over the summer. In addition, students must complete the Active Reader Report worksheet in order to prepare them for the assignment they will receive during the first week of school. Without reading and completing this organizer, students will begin the year at a disadvantage to their peers.

It is planned that all current sixth, seventh, and eighth grade students will go home with a free book from the Scholastic book fair held in May. We encourage students to read this book for their summer reading assignment. We also encourage students to participate in the Rockville Library Summer Reading Program where they can earn prizes for reading multiple books.

Thank you for your help in supporting our efforts to foster lifelong learners who value independent reading. If you have any questions, please contact Language Arts Facilitator Mike Savignano at michael.savignano@vernonct.org.

Sincerely,

Mike Savignano
