Dear Friends,

I wanted to take a moment to thank you for your generous donation of holiday food and pantry items to Hockanum Valley Community Council, which you raised during your recent food drive. First let me say how much we all, the Board, the Staff and certainly the Clients, appreciate your continued support of the programs and services of HVCC. Whether it is attending an event, helping plan an event, participating in an event, lending a helpful hand as a dedicated volunteer or supporting us financially, you are always there for us. You make a difference and we could not do what we do without you.

This last year has been a challenge for us yet we are able to continue to do our work because of our incredible and dedicated donors like you. We are able to offer over 5,952 individuals and families Programs and Services through the Food Pantry, individuals with behavioral and emotional needs, 1,539 of them for 15,318 appointments, with anger management, parenting classes, domestic violence issues, substance abuse, and basic daily need such as clothing, shelter, interviewing for a job, health insurance, help with utility bills. Or maybe our clients 60 and over and/or disabled need a ride through Dial-A-Ride. Over 1,235 people did last year for 28,619 rides! You helped make all of that happen and we are very thankful for your support to do what we do.

Again, thank you. You made a difference and it is our privilege to partner with you in this way.

Sincerely,
